Subject: iCAP Reimbursement

The Indiana Department of Education (IDOE) Office of Digital Learning is offering an opportunity to temporarily reimburse schools for student Indiana Course Access Portal (iCAP) enrollments for the 2022-2023 school year. iCAP, [Indiana Code 20-30-16](#), currently offers over [180 course options](#) from seven course providers. These providers have been approved to offer courses by IDOE.

The reimbursement is provided through the U.S. Department of Education's Expanding Access for Well-Rounded Courses Demonstration Grant awarded to IDOE. This grant program serves to provide students with courses currently unavailable within their school to promote well-rounded and accessible educational resources.

The opportunity is open to all schools and students, with funding prioritization given to the following student groups as defined in [Section 4104 \[20 U.S.C. 7114\] of Title IV, Part A Statute](#): "female students, minority students, English learners, children with disabilities, and low-income students who are often underrepresented in critical and enriching subjects."

Please see the timeline for the process below and [apply here](#) if interested.
