

UNIVERSITY OF
NOTRE DAME

Remote Teacher Collaboratives

Wednesday, August 24
7:30 - 8:30 p.m. (Eastern)

About The Event

Remote Teacher Collaboratives are monthly Zoom sessions designed to meet the needs of teachers in a convenient way. During these meetings, AP® teachers meet to share experiences, test new ideas, and ask questions. Each month's Remote Teacher Collaborative is structured around a topic of shared interest within a discipline and sometimes feature guest speakers with particular insight into the AP program, such as Readers or Commentary Writers.
