Attract, Prepare, Retain Grant Recipients

The [Attract, Prepare, Retain Grant](#) is designed to aid Indiana's schools and community partners in supporting local initiatives to attract and retain educators in school buildings across the state. This could include increasing -

- the number of opportunities for high school students to enter educator preparation programs with transferable post-secondary credits,
- underrepresented populations among candidates enrolling in educator preparation programs,
- opportunities for leadership and career advancement within the profession, and
- opportunities for sharing information, practices and ideas among other educators.

Grant recipients are -
