

The PATINS Project is a statewide technical assistance network that connects Indiana's local educational agencies (LEAs) to accessible educational materials, assistive technology, professional development, and technical support through the Indiana Departments of Education (IDOE). Our mission is to help to support Indiana public schools in creating and sustaining an equitable learning environment for every student through universally-designed access, engagement, and participation.

The PATINS Project offers the below opportunities and resources for educators across the state.

Register for December No-Cost Training on Accessing the Curriculum

The [PATINS Project](#) offers no-cost training to ensure that all students have access to the curriculum throughout the year. Upcoming December [training opportunities](#) include information on Augmentative and Alternative Communication (AAC), development of accessible content, assistive technology implementation, support from the [Indiana Center for Accessible Materials \(ICAM\)](#), Microsoft accessibility, and more. Professional Growth Points (PGPs) and American Speech-Language-Hearing

Association (ASHA) hours are available for all training opportunities. Contact the [PATINS Project](#) with any questions regarding these training sessions.

Save the Date: Tech Expo 2023 on April 20, 2023

Join the [PATINS Project](#) and [IN*SOURCE](#) on April 20, 2023 in Carmel, IN for [Tech Expo 2023](#)! This opportunity allows attendees to preview assistive and accessible technologies and services, meet with vendors and experts of resources designed to promote inclusion and comply with federal and state mandates, and learn about accessibility and technology support for all students and families. Tech Expo 2023 is open to all interested Indiana administrators, teachers, family members, advocates, students, and pre-service teachers/graduate students. Registration opens in January 2023. For more information, visit the [Tech Expo webpage](#) expo website or contact the [PATINS Project](#).

Save the Date: Tech Expo 2023 on April 20, 2023

Contact the PATINS Project for Technical Assistance

The PATINS Project and IDOE are eager to provide technical assistance directly to Indiana schools. Schools may complete IDOE's [Technical Assistance Request Form](#) for any assistance.

Contact the [PATINS Project](#) with any questions regarding these opportunities.
