

The PATINS Project is a statewide technical assistance network that connects Indiana schools to accessible educational materials, assistive technology, professional development, and technical support through the Indiana Departments of Education (IDOE).

The PATINS Project offers the below opportunities and resources for educators across the state.

Save the Date: Tech Expo 2023 on Thursday, April 20

Join the [PATINS Project](#) and [IN*SOURCE](#) on Thursday, April 20, in Carmel, IN for [Tech Expo 2023](#)! This opportunity allows attendees to preview assistive and accessible technologies and services, meet with vendors and experts of resources designed to promote inclusion and comply with federal and state mandates, and learn about accessibility and technology support for all students and families. Tech Expo 2023 is open to all

interested Indiana administrators, teachers, family members, advocates, students, and pre-service teachers/graduate students. [Register now](#) through Wednesday, March 29. For more information, visit the [Tech Expo webpage](#) or contact the [PATINS Project](#).

New PATINS Assistive Technology Lending Library Item

Indiana educators can now borrow the Optelec Compact 10 HD from [PATINS Assistive Technology Lending Library](#). Optelec Compact 10 HD comes with a large 10-inch screen and offers all the benefits of a desktop video magnifier in a smaller, foldable, and portable design. There are easy and advanced modes, three cameras, a clock function, and save snapshots. Complete the [Loan Request Form](#) to borrow this new resource at no-cost. Please [contact the PATINS Project](#) with any questions.

Contact the PATINS Project for Technical Assistance

The PATINS Project and IDOE are eager to provide technical assistance directly to Indiana schools. Schools may complete IDOE's [Technical Assistance Request Form](#) for any assistance.

Contact the [PATINS Project](#) with any questions regarding these opportunities.
