

## THE PATINS PROJECT

The PATINS Project is a statewide technical assistance network that connects Indiana schools to accessible educational materials, assistive technology, professional development, and technical support through the Indiana Departments of Education (IDOE).

The PATINS Project offers the below opportunities and resources for educators across the state.

### **PATINS Assistive Technology Lending Library New Item: Phonak Roger On Microphone**

Indiana educators can now borrow the Phonak Roger On Microphone from the [PATINS Assistive Technology Lending Library](#). Phonak Roger On is an intelligent microphone for hearing aids designed for difficult and ever-changing listening situations in volume and distance. The microphone automatically adapts to the listening situation and switches modes depending if it is being used on a table, clipped on clothing, or held in hand. Complete the [Loan Request Form](#) to borrow at no-cost. Contact the [PATINS Project](#) with any questions.

### **March No-Cost Training from the PATINS Project**

The PATINS Project is offering many no-cost training to help schools create an equitable learning environment for students to learn best. View and [register for no-cost training](#) on Accessible Educational Materials, assistive technology, and Universal Design for Learning throughout March. Contact the [PATINS Project](#) with any questions.

### **PATINS Tech Expo with IN\*SOURCE Registration Now Open**

Join the [PATINS Project](#) and [IN\\*SOURCE](#) on Thursday, April 20, in Carmel, IN for [Tech Expo 2023](#)! Attendees can preview assistive and accessible technologies and services, meet with vendors and experts of resources designed to promote inclusion and to comply with federal and state mandates, and learn about accessibility and technology support for all students and families. Tech Expo is open to all interested Indiana administrators,

teachers, family members, advocates, students, and pre-service teachers/graduate students. Visit the [Tech Expo webpage](#) for more details and to register. Contact the [PATINS Project](#) with any questions.

### **Contact the PATINS Project for Technical Assistance**

The PATINS Project and IDOE are eager to provide technical assistance directly to Indiana schools. Schools may complete IDOE's [Technical Assistance Request Form](#) to request direct support..

Contact the [PATINS Project](#) with any questions regarding these opportunities.
