IEP/SP Process			
Accommodations	Human Reader	<p>The accommodation 'Student has text read aloud (except items testing reading comprehension) by a human reader using a reader's script for a paper assessment' has been shortened to 'Student has text read aloud (except items testing reading comprehension) by a human reader'.</p> <p>Similarly, 'Student has text read aloud by a human reader using a reader's script for all items including items testing reading comprehension for a paper assessment' has been shortened to Student has text read aloud (including items testing reading comprehension) by a human reader.</p> <p>Also, the following rule of completion has been removed:</p> <p>You have selected 'Student has text read aloud by... a human reader...'</p> <p>One of the following must be selected:</p> <ul style="list-style-type: none"> - Student is provided a Braille paper test format. - Student is provided a paper test format. - Student is provided access to large print paper version of test. - Student is provided a stacked Spanish paper test. - Student is provided an accommodated fixed form. 	None
Accommodations	Speech-to-Text	Two new text-to-speech rules of completion have been added: 1) Embedded and non-embedded text-to-speech cannot both be selected simultaneously, and 2) Permissive mode to access assistive technology device(s) accommodation need to be selected when a student has non-embedded text- to-speech selected.	None
Accommodations	Word Prediction	The accommodation 'Student provided word prediction via a non-embedded software program' has been shortened to 'Student provided word prediction'. Also, the accommodation 'Student provided embedded word prediction' has been added.	None
Create IEP	Add NOPS Signature Line	In IIEP, the school may in real time present the response option buttons (which include "Accept") to a parent/guardian and then ask them to sign the line. The signature then gets added to the IEP on the Consent to Implement line. Now, two lines have been included, one for Procedural Safeguards and one for Consent to Implement the IEP.	
Create IEP > Reevaluation Referral	Add Document Table	The Create IEP > Reevaluation Referral page now includes a document table where the user can view/open the Reevaluation Notice after one has been created from that page.	None
Webinar Recording		A video recording is available if you would like to see one of the items noted above; not all may be presented. Please click on the link to the right to play the webinar.
