2023-2024

SCHOLARSHIPS ARE AVAILABLE THROUGH YOUR LOCAL YMCA FOR 2023-2024!!!

Are you passionate about giving your students opportunities where they can learn government in a fun and engaging way? Then the Youth and Government Club is a great fit for you! Since 1965, the Indiana YMCA Youth and Government (INYaG) program has provided experiential learning opportunities for high school and middle school students by modeling Indiana's legislature, and courts. Participants build skills such as critical thinking, persuasive speech and writing, public speaking, advocacy, leadership, and collaboration. Our program highlights the importance of servant leadership and media literacy through a healthy democracy. Students get to represent their school a statewide conference and show off their skills.
