

EMPOWERING SPECIAL EDUCATION PROFESSIONALS: MASTERING THE SCIENCE OF READING, MULTI-TIERED SUPPORT, AND TARGETED INSTRUCTION

Presented by the Indiana Department of Education and The Reading Clinic

Special education staff are invited to attend live sessions in the Indiana Learning Lab and in-person opportunities at no cost through December to support implementation of science of reading practices, strategies for student success with multi-tiered systems of support (MTSS), and using whole and small-group instruction to increase interventions.

ON-DEMAND SESSIONS

- **Part 1: Science of Reading | Word Recognition:** View this three-hour session for PreK-12 educators over the science of word recognition.
- **Part 1: Science of Reading | Language Comprehension:** View this three-hour session for PreK-12 educators over the progression of language comprehension.
- **Part 2: MTSS to Improve Outcomes | Elementary MTSS:** View this session for K-6 educators to identify key components of MTSS and implementation tactics.

REMAINING LIVE SESSIONS

Part 2: MTSS to Improve Outcomes | Middle School MTSS:

Middle school educators are invited to join this session to identify components of MTSS and implementation tactics.

Thursday, November 2
8:30 a.m. ET | 12:30 p.m. ET

Part 3: Whole and Small Group Instruction | In-Person Data-Based Decision-Making & Instructional Design:

K-12 educators are invited to attend regional, live sessions to develop group interventions and investigate instructional strategies to make the most of student groups. [Sign up to attend these live sessions here!](#)
