

ILEARN Checkpoints Summits

Interpreting Data to Inform Instruction

Join the Indiana Department of Education (IDOE) and Educational Service Centers of Indiana (ESCI) for a professional development summit near you for updates on the ILEARN Through-Year Pilot Checkpoints assessments. Discover how to interpret various data reports from the pilot and learn how to use resources to best meet students' needs. Attendees will break into math and English/language arts (ELA) groups to review data, discover IDOE resources, and plan next steps for instruction and interventions.
