**Eric Holcomb, Governor**  
**Joe McGuinness, Commissioner**

Exciting news! INDOT is making changes to their roadside management program, and there will be new opportunities for prequalified contractors to bid work in January and February of 2019 related to roadside maintenance. Contract opportunities will include the following:

- **LITTER AND DEBRIS REMOVAL - NEW Work Type 0189**
  - 6 contracts totaling approximately 640 centerline miles of litter and debris removal from State right-of-way
- **ROADSIDE MOWING - Work Type E(S):**
  - 6 contracts totaling approximately 640 centerline miles of urban area mowing
  - 6 contracts totaling approximately 760 centerline miles of interstate mowing, trimming and litter collection
  - 29 contracts totaling nearly 10,000 centerline miles of mowing and trimming on US and State highways
- **VEGETATION MANAGEMENT - Work Type E(N): requires OISC Commercial Applicator, Category 6 License**
  - 6 herbicide contracts totaling 11,000+ centerline miles of broadcast and spot treatments to control noxious and invasive weed species
- **TREE TRIMMING AND REMOVAL - Work Type 380**
  - 6 tree risk mitigation contracts to include trimming and removal

If you are interested in bidding on any of this work, please visit <https://www.in.gov/indot/2740.htm> for more information on how your company can become a prequalified contractor.
