LearningLab

Welcome to the **IN Learning Lab**! We are excited to be partnering with you to provide professional development opportunities to help you create more impactful and innovative learning experiences for your students.

Begin your journey by navigating to the **IN Learning Lab** and creating an account. No need to fill anything out! **Just select "Sign in with Google" and enter your school Google credentials.**

If you don't have a school Google account, you may fill out the form and click "Register Now".

Once you have created a free account in the Learning Lab, you will have access to hundreds of resources to help you grow in your knowledge of educational technology integration and learning strategies. Live workshops, lesson ideas, and microlearning resources are all at your fingertips. **A great place to start is with the Learning Lab Overview Workshop, which will show you how to get the most out of your time in the Lab.**

If you have any questions about creating an account in the Learning Lab or how to navigate through the site, click the Live Chat button. Someone will be available to answer your questions Monday-Friday 8am-5pm EST.
