

OUR MISSION

The Mission of the Indiana State Police is to protect life and property within the State of Indiana from all threats, foreign and domestic, to investigate and deter crime, and to promote roadway safety by upholding the laws of the State of Indiana. By partnering with federal, state, and local agencies, the Indiana State Police will accomplish these efforts through effective patrols, investigations, intelligence gathering, innovative application of current technology, and all crimes policing efforts.

OUR VISION

We will be the model of a highly trained, equipped, responsive and coordinated statewide police agency that is independent, yet supportive of all law enforcement agencies. We are committed to the utmost professionalism in delivering all-encompassing police services focused on criminal apprehension, crime reduction, traffic safety, and homeland security. We will continue to develop the skills of our members while efficiently and effectively managing our resources and maintaining an unwavering commitment to uphold and defend the constitutions of the State of Indiana and the United States of America.

OUR VALUES

Integrity

Indiana State Police personnel will remain steady and honorable with an unwavering commitment to the truth, regardless of the outcome.

Loyalty

Loyal to the citizens we serve, committed to the highest ideals of public safety and to the law.

Community

Indiana State Police personnel will immerse themselves into their communities, where they live and work, providing those communities with dedicated, compassionate, and comprehensive law enforcement services.
