What is the NIATx Change Leader Academy?

- An *interactive* one-day face-to-face workshop on the NIATx model of process improvement, followed by three months of peer networking and support from a NIATx coach.

What is the NIATx model of process improvement?

- A structured, team-based approach to change management that relies on the power of making small changes that produce results quickly.

At the NIATx Change Leader Academy, you'll learn how to:

- Select a change project and set a project aim
- Engage a team in the change process
- Use the 5 essential NIATx tools
- Achieve measurable, sustainable results

Who Should Attend?

Anyone interested in leading change or improvement in their prevention organization: Senior leaders, managers, coalitions members and leaders, and direct service providers from health departments, community coalitions, schools, or nonprofit organizations. The CLA provides both beginners and those with some experience in process improvement with the tools to lead change projects within their organization.

The Great Lakes PTTC is funded by [SAMHSA](#) to support the behavioral health workforce in HHS Region 5: IL, IN, MI, MN, OH, and WI.
