

PeopleSoft HCM will be down from May 5, 2023 at 4 p.m. to May 8 at 7 a.m.

What is happening on May 8?

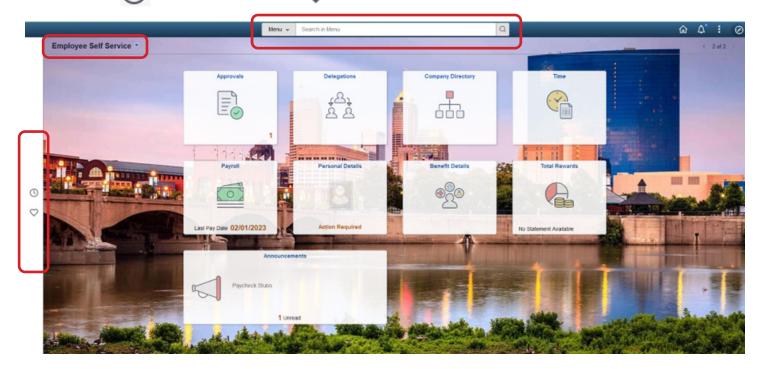

This is an annual update that occurs and is needed to keep the system current. This enables us to take advantage of enhanced features.

How does this affect you?

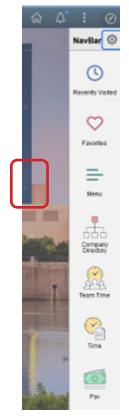

There are a few enhancements that you need to be aware of:

General Enhancements:

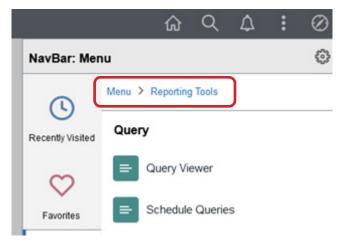

The Search bar is now located at the top of the Homepage, you can also find the quick access bar on the left-hand side of the page. The ability to select the homepage will now be in the top left hand corner. The quick access bar houses the recently visited pages () and your favorites).

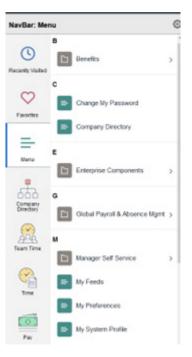

• The navbar provides access to the Navigator, in this update the word Navigator has now been replaced with the word "Menu":

• A major and much welcomed update is that Breadcrumbs are back! This shows the navigation to a particular page.

• PeopleSoft now has Alphabetical Sorting.

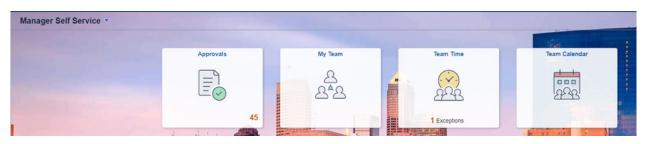

• Process Monitor now has a 'Clear' button to remove any filters the have been added and a 'Reset' button to restore default settings.
