Are you a Michigan supplier interested in learning how to do business with Kent County? Join the MEDC's Pure Michigan Business Connect (PMBC) team and the Kent County Purchasing Division for the virtual Kent County Business Expo. Kent County is located in West Michigan and seeks a qualified and diverse vendor database to provide goods and services. Suppliers do not need to be located in Kent County to participate; all Michigan businesses are welcome to attend.

## **EVENT HIGHLIGHTS**

- Attend an educational webinar on how to do business with Kent County
- Get connected with Kent County buyers in one-on-one meetings to discuss procurement opportunities\*

## **PROCUREMENT NEEDS**

Kent County is looking to purchase goods and services in the following areas:

- Automotive products, vehicles and related services
- Building equipment and supplies
- Building, construction and trade services (commercial and residential)
- Computers, software, supplies and services
- Correctional facilities products and services
- Furniture, furnishings and related services
- Janitorial and cleaning equipment, supplies and services
- Parks and recreation equipment and services
- Public works and construction and related services
- Safety and protection equipment and related services

Registration is required to participate. A supplier application for one-on-one meetings is separate.

## **SUBMIT APPLICATION**

\*Buyer one-on-one meeting times are limited. Submitting a supplier application does not guarantee participation in a one-on-one meeting. Businesses not selected for meetings should attend the webinar to learn how to schedule future meeting opportunities with Kent County purchasers.

**Contact [pmbc@michigan.org](mailto:pmbc@michigan.org) with questions about participation.**
