

Become a Cross-Cultural Partner

Cross-Cultural Partnerships are friendships. They're authentic relationships built on mutuality. Whether practicing English, going on neighborhood walks, enjoying meals together, attending Treetops-hosted outings, or exploring West Michigan, Cross-Cultural Partners simply do life together and learn from one another. Create a profile, attend an orientation, and get matched with a New American woman!

What to expect:

- Partner with a New American woman for 10-12 months
- Meet for 4 hours a month
- Build a meaningful relationship
- Receive support and training from Treetops
