About Us

Unigate Hub was founded in late 2024 by Dr. Eric Ruvuna and Caleb J. Uwagaba, following their recognition of the need for lasting support after hearing the stories and struggles of refugees, immigrants, and new Americans, including language barriers, financial challenges, and social isolation. Today, we offer programs in financial education, language & translation services, scholarships, senior enrichment, and more, all designed to help new Americans thrive in Grand Rapids.
