

State WIC Agency Contacts for Local Agencies

February 2024

Please use the contact information within the box below for the specific purposes listed in bold. For most other matters, please contact your primary State agency lead first. Find your agency's State lead on the following pages.

For urgent matters, call your primary lead. If they do not answer, call your secondary lead. If they do not answer, call the main WIC office at (785) 296-1320. Please leave messages on each voicemail that you reach with the following information:

- your full name,
- agency,
- and phone number.

If you know that your matter requires the assistance of a dietitian, then you can contact your dietitian lead directly. When emailing your dietitian lead, Cc your primary lead if they are not the same person.

Please send any errors or updates of this document to Danica.Pelzel@ks.gov.
