Legislative Session Update
March 2, 2023**

To check the status of bills and hearing, please go to the legislative website at <http://www.kslegislature.org/li/> or call the legislative hotline at 1-800-432-3924. If there are bills you would like me to follow, please let me know and I will add them to the list. A listing of the committees, times they meet, rooms they meet in and the assistants you need to contact if you want to provide testimony are listed at the end of this update.

Committee meetings can be watched online by going to the legislative website (link above) and hovering over “Audio/video” in the upper right-hand corner of the page. Then scroll down on the menu that appears to “Statehouse Live and Archive” and clicking on it. Scroll down until you see the committee you want to watch and click on that committee.

To receive a copy of this announcement in large print, or other alternative formats, please call 1-800-295-5232 (voice). This Update can also be found on the KCDC Web site: <http://www.kcdcinfo.ks.gov/legislative-information>.

Let me know if you have questions or want me to add bills or information by emailing Martha.gabehart@ks.gov.

I’ve added an asterisk (*) after the number of the bills that have been in exempt committees. This means a committee can hold hearings, debate and move them out of committee at any time. Those bills without an asterisk are non-exempt and cannot be worked after the deadline for bills to be out of the house of origin or the second house unless they are moved to an exempt committee.

Please check the calendars yourself everyday if you are following bills or budgets so you know what is happening. You can find the calendars [here](#).

3. Where do I find out about a bill?
4. Is there any training on this subject?
5. Etc.
