Session information

Measuring Program Success Session:

Facilitator: Cathleen Penkoff, State Technical Assistance Liaison, NDTAC

During this session, coordinators will be given a general overview of financial responsibilities pertaining to the Part D program, will take a look at creative budgeting and will have the opportunity to ask any questions they may have.

Finance Session:

Facilitator: Thelma Hawkins, Branch Manager, Office of Finance and Operations, KDE

During this session, coordinators will be given a general overview of financial responsibilities pertaining to the Part D program, will take a look at creative budgeting and will have the opportunity to ask any questions they may have.

Transition & Community Partnerships

Facilitator: Sherri Clusky & Lacheena Carothers, Program Consultants, OCIS, KDE

During this session, coordinators will discuss transition strategies and how to develop and maintain community partnerships for their Part D program.

Elevating Evidence:

Facilitator: Matthew Courtney, Program Consultant, OCIS, KDE

During this session, coordinators will learn the definition of evidence-based practices and how it was affected by ESSA. Participants will gain knowledge and tools to implement within their Part D programs while drawing connections from session 1.

Data Use & Program Improvement:

Facilitator: Matthew Courtney, Program Consultant, OCIS, KDE

During this session, coordinators will participate in a discussion about the importance of data use and program improvement. The session will build on strategies and information from session 1. Participants will take a look at their program data and learn how to use it for program improvement.

Monitoring:

Facilitators: Amber Skaggs & Monica Shack, Program Consultants, OCIS, KDE; Tim Anderson, Corrections Program Administrator, DJJ; Meredith Sanford, Corrections Program Administrator, DOC

This session will breakout based on subpart. During the session, coordinators will be given an overview of the monitoring process for their corresponding subpart, discuss acceptable forms of documentation and have the opportunity to ask questions they may have.
