Volunteer Opportunities

Several Projects are available to volunteers. Visit [OFW on Facebook](#) for other news & opportunities.

- There is a community need for [Youth Mentors](#). Y-NOW youth participants are 11-15, living in the Louisville metro area, with at least one incarcerated parent. Volunteers support all phases of the Y-NOW program; however, our primary need is for folks to serve as mentors, listening and providing encouragement, support and stability so that these youth might begin to create a future that is distinctly different from the past.
- For other mentoring opportunities check with: [Big Brothers Big Sisters](#) or [The Office of Safe Neighborhoods](#)
- Foster Care Review Board—[Citizen Foster Care Review Boards](#) are seeking volunteers to make a difference in the lives of local children in foster care. Volunteers are needed to review cases of children placed in foster care because of dependency, neglect and abuse to ensure these children are placed in safe, permanent homes as quickly as possible. Volunteers are not required to reside in the county where a board meets.
- Office For Women—Our EPO Data Project now is approaching 1,600 forms entered. We are asking volunteers to commit to a minimum of 4 hours a month for 3 months. This data will assist in an overview of domestic violence in our community needed for program development and grant applications. (Interested persons will need to agree to a background check.) For more information: Email: OFW@louisvilleky.gov
- Office For Women has a need for someone who can volunteer at least 3 hours a week to do various tasks such as: data entry, newsletter articles, research, assist with coordinating projects or web editing. (Interested persons will need to agree to a background check.) For more information: Email: OFW@louisvilleky.gov
- Interested in being “on call” to volunteer for short-term projects one or two days / evenings a month? (Interested persons will need to agree to a background check.) For more information: Email: OFW@louisvilleky.gov
