Please attend and spread the word about the **Youth Voices Against Violence Forum held at Kentucky Center for African American Heritage on Saturday, November 3, 1:00 - 3:00 pm.** This panel of youth will examine the themes of gun violence within the context of public health, bystander action, healing through arts, and mobilizing for change through community dialogues.

The exhibition *Kin Killin' Kin* is a striking visual experience exploring youth violence communities. Artist James Pate uses charcoal to create compelling visual scenes combining the iconography of the Ku Klux Klan, the Civil Rights Movement, and all too familiar images of violence. Pate's artwork places the viewer inside the acts of violence and the conversation, demanding their attention and reflection on the challenges, causes, and insidious nature of violence. This exhibit is appropriate for ages 13 and up.

ConfIDent in KY Facts for new IDs

In October 2020, standard licenses will no longer meet
federal REAL ID requirements for Kentuckians to
board U.S. flights or enter select federal facilities and
military bases. **Kentucky's new Voluntary Travel ID
will offer residents an affordable and convenient
single credential to board flights and enter federal
facilities, such as military bases and nuclear power
plants.**

The issuance of all driver's licenses and personal
identification cards will move from on-site production
at Circuit Court Clerk locations **to one central, secure
location.** This transition, in addition to state-of-the-art
card security features, will reduce the risk of
fraudulent use and the unlawful reproduction of these
identity credentials. **The change will take effect in
early 2019 at select Circuit Court Clerk locations
and will extend to all 120 counties by late spring.**
The renewal cycle of licenses and personal IDs will be
moving from a four-year to an eight-year lifespan.
**First-time applicants requesting a new standard
driver's license must present** one (1) proof of identity,
one (1) proof of social security and one (1) proof of
residency. You will not immediately need a Voluntary
Travel ID for air travel to any U.S. state or territory or
for access to restricted federal facilities **as long as your
current license doesn't expire before October 10,
2019.** For more information [visit drive.ky.gov](http://visit.drive.ky.gov).
