

# GENERAL ELECTION INFORMATION

Bobbie Holsclaw, Jefferson County Clerk  
[jeffersoncountyclerk.org](http://jeffersoncountyclerk.org)

In order to ensure the health and safety of all voters, the 2020 General Election will be conducted in a different manner than past elections. After much discussion and careful consideration, the Jefferson County Clerk's Office and Board of Elections have decided upon four (4) vote centers, located throughout the county, to serve as polling places both before and on Election Day. The Kentucky Exposition Center; the KFC Yum! Center; the Kentucky Center for African American Heritage; and Louisville Marriott East will all be available for early voting starting October 13th. These four locations, along with sixteen (16) additional school locations, will be available on Election Day.

The in-person voting centers were selected because of their locality, adequate parking, and square footage. Voters and election officers will be able to practice social distancing, and lines can form inside the facility (in case of any inclement weather).

In accordance with CDC, State, and Metro guidelines, all voters will be required to wear masks to protect election

officers, fellow voters, and themselves. Depending on standards established by the facility where you choose to vote, additional requirements may be stipulated. For example, at the KFC Yum! Center, voters will need to submit to a temperature check. We ask that firearms be kept outside of all polling locations.

For voters who have secured a mail-in absentee ballot through the State Board of Elections portal, and who choose not to drop their ballots in USPS mail boxes, they may utilize absentee ballot drop boxes; locations are listed on this flyer.

We are pleased to announce that TARC will offer free rides county-wide on Election Day. Also, they will provide shuttles that go directly to the Kentucky Expo Center (on November 3rd). These shuttles will leave from the 10th & Broadway Union Station location.
