

Portland ART CAMP

MUSIC | FILMMAKING | CREATIVE WRITING | DANCE

June 14-25

Monday - Friday

10am - 2pm (lunch included)

Theme & Curriculum:

*Kids get to learn **Filmmaking, Music, Creative Writing, and Dance** taught by working artists. Through the arts, kids will learn to **think in new ways, problem solve, and grow in teamwork.***

Day at Camp:

*Each student picks **2 artistic disciplines**. Our camp day begins at 10 am with the first discipline, followed by a camp provided lunch. After lunch, students engage in fun **team and community building games**. The day concludes with a class in their second artistic discipline finishing at 2 pm. Both Fridays are elective days which could include acting, painting, engineering and various other inspirational activities.*

Cost:

We believe every student should be able to learn the arts. Thanks to our generous sponsors, all kids accepted will get a scholarship for \$200 off their tuition. That means kids get 40 hours of art camp, 10 lunches, and a ton of fun for just \$50 per child.
