Dear Russell Neighbors ,

Flip the Script located at 432 S. 16 th street is incorporated with The Commitment House LLC who is a CARF Accredited and Licensed AODE facility that helps men gain knowledge and strength through working the 12-steps of recovery. Flip The Script provides a safe, clean, structured, drug-free environment for 8 men which empowers clients to become healthy, whole, and return to their families and community with the tools to maintain long-term sobriety.

The program can offer two levels of care. The first level is the Intensive Outpatient Program, where they attend class 3 hours a day, 3 days a week, and obtain employment. The second phase of the program, Outpatient, clients attend class for 2 hours a day, 2 days a week, maintain employment and begin workings towards transitioning. Random drug screens are utilized throughout treatment on all levels of care.

We will be hosting a neighborhood meeting at 432 South 16th street on 8/3/2021 at 6pm to discuss the facility, give a tour and answer any questions you may have.

Sincerely,

Duane Nathaniel
