Re: The Hampton's Family Business, LLC d/b/a InKredible's  
1800 W Hill Street, Louisville KY, 40210

To Whom It May Concern:

I am writing to express my opposition to The Hampton's Family Business, LLC d/b/a InKredible's application for NQ2 Retail Drink (Restaurant) license at the above addresses and am requesting that their application for NQ2 Retail Drink (Restaurant) license be denied.

We are working hard in Louisville Metro's District 6 to revitalize the community. My neighbors and I are working with elected officials, developers, and other stakeholders to create a safer, healthier, and thriving community for those that live, work, and play in District 6.

Granting The Hampton's Family Business, LLC d/b/a InKredible's, a license to sell alcoholic beverages would add to the oversaturation of places that sell alcohol in our community. Having multiple establishments that sell alcohol, existing so closely together, attracts issues that the neighbors and community-goers should not be plagued with.

Again, I am requesting that The Hampton's Family Business, LLC d/b/a InKredible's application for NQ2 Retail Drink (Restaurant) license be denied.

Sincerely,
