

MicroStation v8.11.9.608 E-SHEET NAME: _____ USER: clocorall DATE PLOTTED: October 1, 2021 FILE NAME: U:\5850 METRO GEC\5850 HIKES LANE PAVEMENT REHAB-PHASE2\09 MOT\PHASE01A\R190.MOT PHA.WI.DGN

MAINTENANCE OF TRAFFIC NOTES:

1. Reduce NB and SB Breckinridge Lane to 1 lane in each direction both being the outside lanes as shown
2. Place advance warning signs as shown in KYTC Standard Drawing TTC-115 prior to each lane drop.
3. No left movements from any direction will be allowed during this weekend closure. Right turns only from both directions of Hikes lane.
4. Ensure the detour in the following plan sheets is in place.
5. Repair all areas within the intersection.
6. Pedestrian traffic should be restricted to crossing only Hikes lane at this intersection with Breckinridge traffic crossing at adjacent lights.

These restrictions will be allowed for 1 weekend from 7am Saturday until 5am the following Monday.
