RE: Neighborhood meeting for a proposed Conditional Use Permit (“CUP”) and Revised Detailed District Development Plan (“RDDDP”) to allow a rehabilitation home on property located at 1120 & 1122 Rogers Street

Dear Neighbor:

We are writing to invite you to a meeting we have scheduled to present neighbors with our CUP and RDDDP to allow a rehabilitation home to be located as above.

Accordingly, we filed a plan for pre-application review with Planning and Design Services (PDS) that was assigned case number **24-CUPPA-0065** and case manager **Jeremy Chesler**. The applicant is proposing a rehabilitation home to operate a clinically managed, low-intensity residential program where individuals receive supervised supportive services to address their substance use conditions. The facility will be monitored 24 hours/7 days a week by qualified staff. While this use could be classified as “transitional housing”, we are requesting a CUP out of abundance of caution. We would like to show and explain this plan to neighbors so that we might hear what thoughts, issues and concerns you may have.

In that regard, a meeting will be held on **Wednesday, April 17, 2024**, beginning at **6:00 p.m.** at **Highlands Community Ministries** in the **Barrett Room** located at **1228 Breckinridge St., Louisville, Kentucky**.

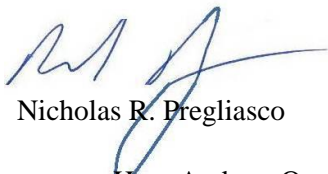

Enclosed for your review are the following:

1. The development plan sheet
2. LOJIC site location zoning map sheet showing the location of the site
3. Detailed summary sheet of the project
4. Contact information sheet and Information on how to obtain case information online from PDS’ online customer service portal
5. PDS’ “After the Neighborhood Meeting” sheet

If you are unable to attend the meeting, or have any questions or comments, please feel free to email or call me at the number listed above.

We look forward to our opportunity to visit with you.

Sincerely,

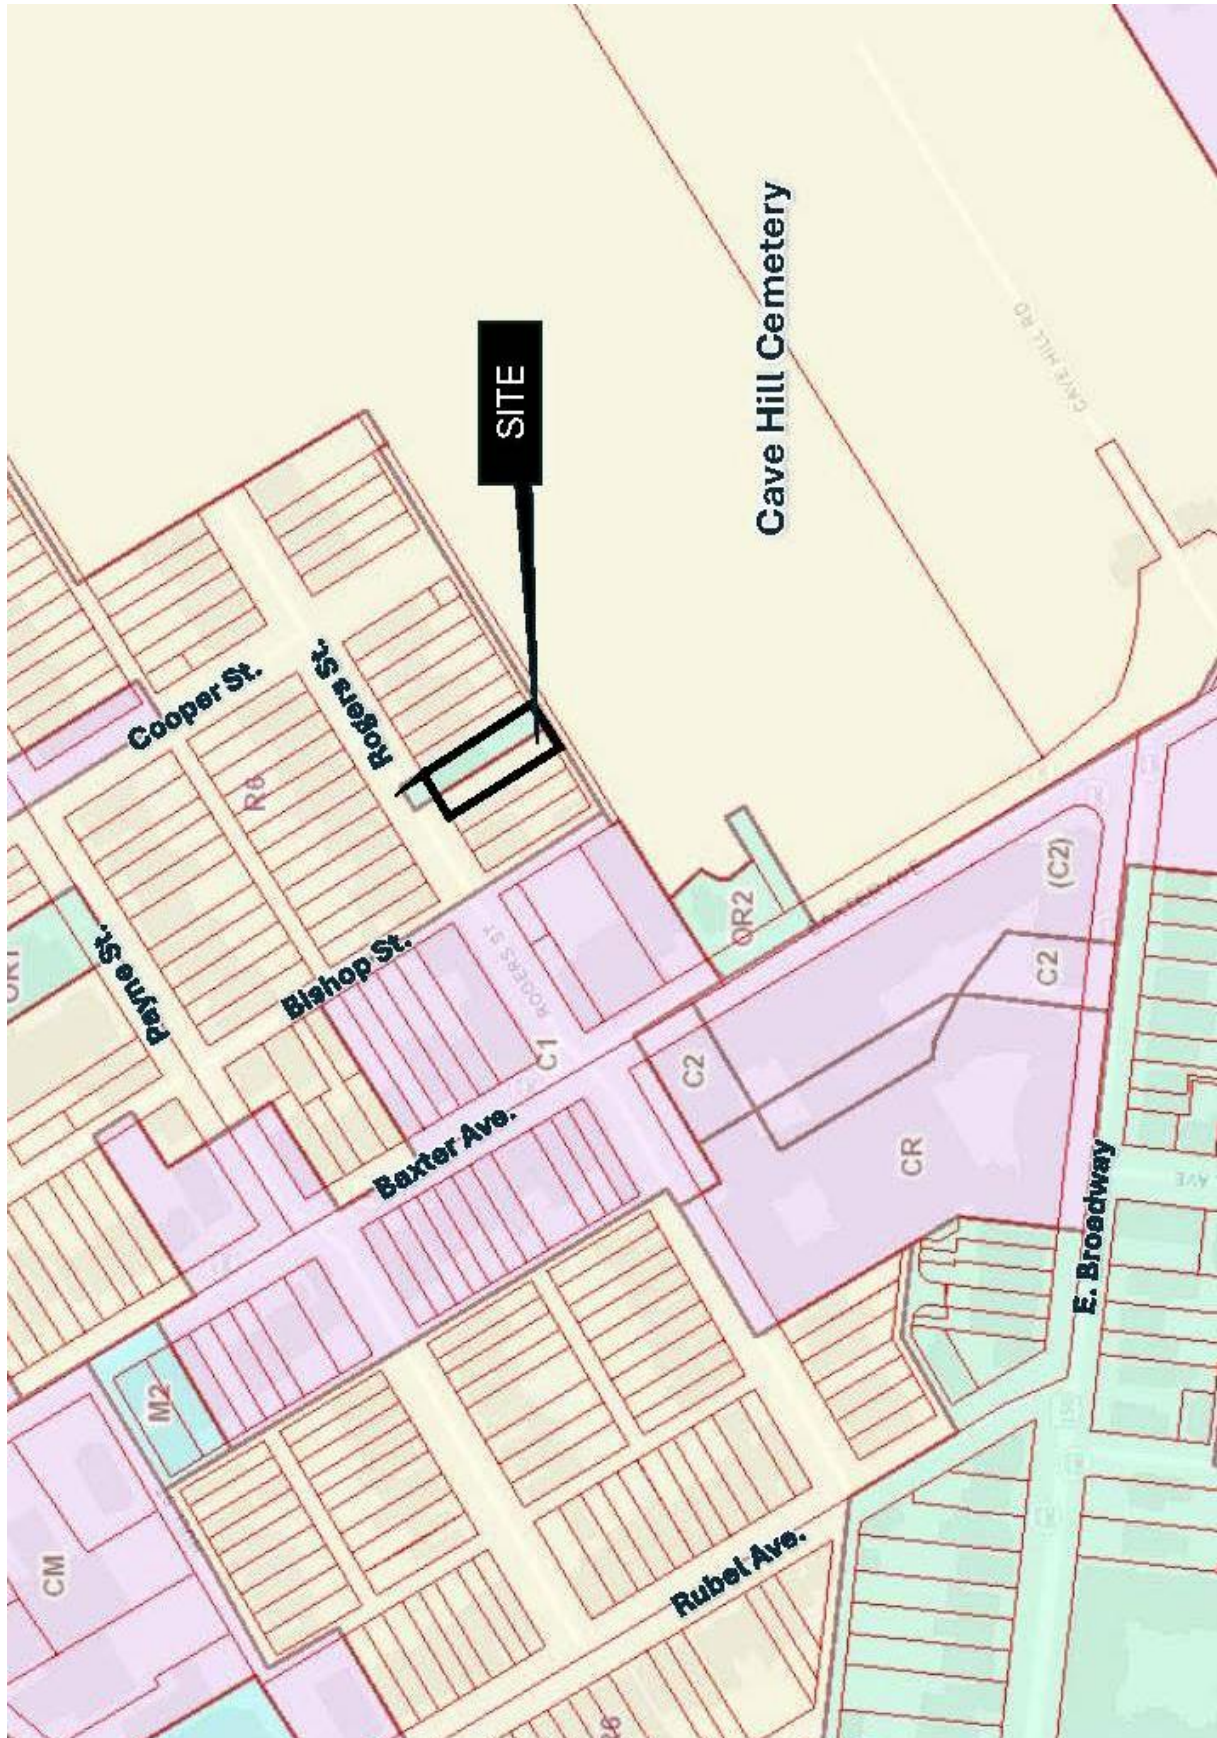

Nicholas R. Pregliasco
