30 inch white Kitchenaid electric range with dual ovens I purchased a new home where this high end electric stove was installed in 2022. I don't think the ovens or stovetop have been used as the stove is very clean and shows no sign of where food has been cooked. The previous owner was an elderly lady that no longer prepared her own meals. We are switching to a gas powered stove and need to sell this almost new electric stove. New ones are \$2100 to \$2300. 256-527-6350. Crestwood KY Jim.d.green@gmail.com
