| <a href="#">25-CUPPA-0053</a>    | Mercy Academy Innovation Center<br>Mercy Academy is a Catholic High School that educates and empowers young women of all faith backgrounds since 1885. The institution currently has a population of around 500 students and faculty and has existed on its current campus since 2010. In 2020, Mercy completed their strategic plan which identified and prioritized goals for the coming years, including upgrading facilities and providing additional space for their STEAM program.<br><br>The new 12,000 SF STEAM building addition will provide additional classroom and shop space including a Health Science Lab, Tech Classroom, Ceramics Studio, 2D Art Studio, and STEAM Shops. The proposed expansion will be located on the south side of the existing building on the southwest corner of the site facing Fegenbush Lane. The addition will be offset from the existing building approximately 30', connected with a newly enclosed breezeway. A new courtyard between the existing building and new addition will be included as part of the development. | 5801 Fegenbush LN        |                  | 03/10/2025     | 03/10/03/26/2025  | Mark Pinto     |
