E-SHEET NAME:

MicroStation v8.11.7.443

In Phase 4:

The newly constructed intersection of Cedar Creek Road and Cooper Chapel Road will be open to traffic. During construction of Cooper Chapel Road from Station 499+00 to Station 505+00 and Beulah Church Road from Station 99+40 to Trotters Trace, the existing and proposed intersection of Beulah Church Road and Cooper Chapel Road will be closed.

Cooper Chapel Road traffic and local traffic west of the intersection will use the **western detour** to access Cooper Chapel Road to the west and KY 864 - Beulah Church Road to the north. Cooper Chapel Road/Old Cooper Chapel Road to the east and **Cedar Creek Road** will be accessed via newly constructed segment of Hall Place Blvd adjacent to the new Kroger development, then along the existing Cedar Creek Road to the newly constructed intersection of Cedar Creek Road and KY 864- Beulah Church Road (Detour #3). Old Cooper Chapel Road Traffic and local traffic will use Diversion #1 to access Hornbeam Blvd.

-- FOLLOW DETOUR #1 THIS PHASE (2-WAY TRAFFIC)

In Phase 5:
The newly constructed intersection of Beulah Church Road and Cooper Chapel Road will be open to traffic. During construction of Cooper Chapel Road tie-in and Hornbeam Blvd., the existing and proposed intersection of Hornbeam Blvd and cooper Chapel Road will be closed. During Construction of KY 864 from Trotter Trace to Sta. 145+46, KY 864-Beulah Church Road will be closed except for local traffic
Local traffic will use Diversion #2 to access Hornbeam Blvd. Through traffic to the west will be maintain via **Detour #1**. Through traffic to the east will be maintained via **Detour #3**. Two-lanes of traffic, one in each direction will be maintained along the detour route through the Beulah Church Road/Cedar Creek Road intersection during construction.
Part-width construction, temporary pavement, signs, flagger, etc. will be used to maintain access as coordinated and approved by the Engineer.

- Traffic to the west follow Detour #1 this Phase
- Traffic to the east follow Detour #3 this Phase
