

Has your **business** been impacted by the recent storms or want to help flood-impacted workers get back to work?

We have **funding** that can support you with access to new hires or upskilling your current staff.

On-the-job
training

Temporary
work

Employer-led
new hire
training

Upskilling
your staff

Layoff
prevention

To qualify, your business must be in San Diego and be able to hire someone who is unemployed and has been impacted by the floods.*

*An eligible worker is anyone who is unable to earn income because of the floods, currently receiving unemployment insurance or has received unemployment benefits within the last year, or has received notice of termination or layoff.
