

SAN DIEGO COUNTY

BLUE ENVELOPE PROGRAM

Championing Inclusivity

The Blue Envelope Program is designed for individuals with disabilities and medical conditions residing in our communities. Carrying the Blue Envelope or displaying any product with the program's logo informs law enforcement, first responders, and community service providers that a person will need special accommodations during a service, call, or contact.

Participating in the Blue Envelope Program is free and voluntary.

The Blue Envelope holds a driver's license, insurance information, and other documents that might be needed during the contact. There are also helpful tips and instructions for both the person and the first responder on how best to communicate with each other during the interaction.
