

San Diego County Fire CERT

CPR Training

FREE Training for Rural Community Residents

Participants will receive a 2-year certification upon successful completion of the training. Registration is open to residents 16-years and up. Minors will need to attend this training with their parent or guardian present.

Course taught by Health & Safety Institute (HSI) certified instructors. HSI is a Nationally Recognized Program.

To register call/text (619) 857-8050 or email Teresa.Greenhalgh@sdcounty.ca.gov
