The Baltimore City Department of Public Works, Office of Engineering and Construction (OEC) has several upcoming contracting opportunities that could potentially help your company grow!

OEC invites all contractors interested in bidding on future stormwater and environmental restoration construction contracts to register and attend the *2<sup>nd</sup> Annual Stormwater Construction Opportunities for Contractors* workshop. The workshop is intended to provide an overview of all the construction opportunities in the Municipal Separate Storm Sewer System (MS4) permit compliance program. The workshop will inform contractors of:

- ▲ Bidding opportunities
- ▲ Schedules
- ▲ Contractor pre-qualification requirements
- ▲ Minority business opportunities
- ▲ Inspection requirements
- ▲ Upcoming MS4 City projects

### What is the purpose of the MS4 Program?

To design and construct stormwater management, stream restoration, stream repairs, environmental site design (ESD's), water quality retrofit, and lot greening projects to achieve compliance with the City's MS4 permit.

The workshop will include the following sessions:

- |  |            |
|--|------------|
| ▲ Registration and Refreshments                  | 30 Minutes |
| ▲ Opening remarks by Director of Public Works    | 15 Minutes |
| ▲ Opening speech by Prakash Mistry of OEC        | 15 Minutes |
| ▲ Upcoming stormwater opportunities and schedule | 30 Minutes |
| ▲ Contractor pre-qualification requirements      | 20 Minutes |
| ▲ Minority Business participation goals          | 20 Minutes |
| ▲ Q&A  | 50 Minutes |

Refreshments will be served. Space is limited. Attendance shall be limited to two representatives per firm.
