

Mayor Bernard C. "Jack" Young, Mayor's Office of Small, Minority and Women Business, Mid-Atlantic Region MBDA Advanced Manufacturing Center – Baltimore, and Regional Manufacturing Institute of Maryland Present

Minority Manufacturing Symposium

A Baltimore MEDWeek Event

Thursday, October 10, 2019 | 8am - 2pm

Reginald F. Lewis Museum

830 East Pratt Street | Baltimore, MD 21202

"Inform, Instruct & Inspire"

The Minority Manufacturing Symposium is focused on business marketing for minority manufacturers and welcomes other businesses and organizations in the supply chain for Minority Business Enterprise (MBE) manufacturers. This interactive symposium connects MBEs with government officials and industry leaders to network, share experiences and discuss opportunities for growth.

Symposium Features:

- Blueprint for Value Creation
- Strategies for "Closing the Deal"
- Best Marketing Practices from Industry Experts
- Shark Tank-like Pitch Presentations to Financiers, OEMs & Marketing Pros

Who Should Attend:

- Minority Manufacturers
- OEMs
- Other Manufacturers in the Supply Chain
- Resource and Service Providers to the Industry
