Individual Requirements:

- Minimum: Previous landscape experience and/or willingness to learn and perform tasks of the landscape trade in a fast-paced environment
- Highly motivated individual, detail oriented
- Communication skills
- Be available for seasonal long hours and weekends as necessary, weekends are optional
- Punctual and dependable
- Attention to detail
- Polite and courteous
- Able to work effectively with individuals of differing knowledge and backgrounds
- Able to work outside in a rigorous environment, lift 50lbs on a regular basis, perform repeated bending and lifting activities throughout the workday

Our Mission Statement is to be known in our industry as a rarity; we will always deliver a diverse team of experienced, caring, hardworking individuals to expand your living space to the outdoors.

Our Core Values:

Relationships -	Value strong, healthy relationships at home and work
Allegiance -	Develop and maintain an allegiance with our peers, coworkers, clients and vendors
Resourcefulness -	Nurture a resourceful staff to deal skillfully and promptly with all challenges
Innovation -	Encourage new ideas and innovative creative thinkers on every team
Trustworthy -	Rely on trust and honesty among all parties
Y ...?...	we're just better at this.
