

NOW HIRING!!!

Full Time Electronics Technicians

CoastTec has an immediate opening for Full Time Electronics Technicians

Location: 1533 Progress Way, Suite 113, Eldersburg, Maryland 21784

Work Hours: Monday – Friday, 7:30 a.m. to 4:00 p.m.

Position is Fulltime with benefits after 90 days (vacation time and health/dental/vision insurance), company holidays, optional weekend overtime available.

Qualified candidates should be team players, have good organizational skills, be proficient using a computer, and have sound analytical problem-solving and documentation skills. Ideal candidates will have experience in testing power electronic circuits (AC/DC circuit knowledge) and troubleshooting knowledge of electronic circuits at the component level. Specific duties will include:

- Test, troubleshoot, and repair of Uninterruptable Power Supplies
- Battery pack assembly and replacement
- DC circuit troubleshooting, AC circuit troubleshooting
- Surface-mount and through-hole soldering
- Circuit functionality verification
- Use of oscilloscopes and digital multi-meters and basic hand tools
- Job will also require some heavy lifting and some basic warehouse work

Founded in 1988, CoastTec, is the leading Reconditioning and Repair Center for Uninterruptible Power Supplies (UPS). With an agreement with the American Power Conversion (APC), CoastTec is the only authorized sales outlet in the United States for certified reconditioned UPS units and the sole service provider for APC Single-Phase UPS units. We are located in Eldersburg, MD and our website is www.coasttec.com.

Please email resume to asevel@coasttec.com. Please include "Electronics Technician" in the Subject Line. Applicants will be contacted by e-mail or phone to schedule interview.
