

You are invited to the first
DGS DRIVE ELECTRIC EARTH DAY!

Friday, April 22

State Center - Lot C
1030 Mason St., Baltimore

Open House

9:30am - 3pm

Presentation with Secretary Churchill

10:30am - 11:00am

Drive Electric Earth Day driveelectricearthday.org is a national campaign to share information about electric vehicles throughout the month of April. DGS is hosting our first Drive Electric Earth Day event for State employees. Come for complimentary coffee and giveaways, stay for valuable information!

- Ask EV drivers questions about driving EVs.
- Watch a charging demonstration by BGE.
- **Test drive a Mustang Mach E or a Chevy Bolt.** (Limited availability between 9-10:30am and 1-3pm. Must pre-register, possess a valid drivers license, and be authorized to drive state vehicles.)

Register at t.ly/DriveEV or by scanning:

Please contact Korin Sharp, DGS EV Program Coordinator,
with any questions at korin.sharp@maryland.gov.

We hope you can join us!
