

Mobile Integrated **HEALTH**

MIH is a patient-centered, cost-effective healthcare model that provides care outside of a hospital setting. It is also known as community paramedicine. **Talbot County MIH uses a team of paramedics, nurses and other trained professionals to provide care in patient's homes.**

WHAT WE DO:

- ✔ Home safety and health needs assessments
- ✔ Fall prevention
- ✔ Medication review & education
- ✔ Review of hospital discharge instructions, reducing readmission rates
- ✔ Connect patients to local healthcare resources
- ✔ Telehealth Access
- ✔ Mental health resources connections
- ✔ Follow up visits to ensure patient's needs are met and resources are connected successfully.

DOES YOUR PATIENT...

- ✓ Have a recent hospital admission?
- ✓ Have multiple ED visits?
- ✓ Need assistance with food, transportation, or housing?
- ✓ Cancel (or now show) their primary care visits frequently?
- ✓ Have difficulty managing their chronic illness?
- ✓ Have poor medication compliance?
- ✓ Report multiple falls?
- ✓ Need medical insurance coverages?
- ✓ Have difficulty paying for prescription or medical supplies?

If you answers YES to ANY of these questions, Your patient may benefit from Mobile Integrated Health.
