

Attention: All Workforce Professionals and Partners

**Coming Spring 2017 – Maryland Raising the Bar Conference
Back by Popular Demand!**

We are excited to announce that the historically successful workforce professionals' conference – **Raising the Bar** – will be returning this spring:

When: Wednesday and Thursday, March 15 – 16, 2016

Where: **Turf Valley Resort & Conference Center**
2700 Turf Valley Road | Ellicott City, MD

As previous Conference attendees can attest, this two-day Conference is an excellent opportunity for workforce and educational professionals to network, discuss innovative solutions for the industry, and entertain in-depth conversations.

The timing is perfect! As the Workforce Innovations and Opportunity Act encourages greater collaboration not only within local areas but across regions, this Conference is an excellent way for Maryland partners to continue the efforts well-underway.

Be sure to mark your calendars. Formal registration details will be coming soon.

NOTE: Share “best practices” with your peers. Submit a proposal to speak at the Conference. Proposals must be received by December 28, 2016, and may be submitted [here](#).

We hope to see as many workforce professionals at the Conference as possible! Please pass this email message along to anyone in your network who would benefit or be interested in **Raising the Bar 2017**.
