

# Conserving Living Resources: Understanding Federal Land Acquisition Programs

## WEBINAR DESCRIPTION

In the Chesapeake Bay watershed, federal agencies work with willing sellers to permanently conserve land and living resources, which in turn benefits nearby communities.

Join us for a discussion with representatives from prominent federal agencies as they provide insight on:

- **How they are conserving land through willing seller programs.**
- **Their process for creating these projects: eligibility criteria, use of easements, annual timing and more.**
- **How you can help get parcels added to willing seller priority program lists.**
- **How to get more dollars for federal programs (ex: LWCF).**

## HEAR FROM EXPERTS WITH:

- The Bureau of Land Management
- The National Park Service
- The United States Forest Service
- The United States Fish and Wildlife Service
