

*Did You Know?*

For every Marylander not counted in the Census, it costs the state approximately \$18,250 over 10 years.

*That means less \$\$ for our parks, schools, health care, and more!*

*Everyone Counts!*

Census Worcester

April 1 - July 31

# HAPPY CENSUS DAY!

2020 marks the 1st year in which the census survey can be taken online, by phone or by mail. Please take 10 minutes to complete the census survey. The statistics gathered by this survey are used to determine how \$675 billion is distributed to fund, education, health care, parks, transportation, etc.

EVERYONE of every age, socio-economic class, and religion COUNTS!
