

RAISE YOUR VOICE TO POSITIVELY IMPACT YOUR COMMUNITY!

If you live in Montgomery County and currently receive Food Stamps, WIC or any other food or nutrition assistance benefits, or simply find you cannot afford to feed your family nutritious meals, the Montgomery County Food Council encourages you to apply* for our newly created **Food Security Plan** Community Advisory Board to hear about your ability to access food in the County.

The Food Council will be coordinating and facilitating this initiative in which members will be invited to share their experiences of food insecurity and their thoughts and perspectives on the County's Food Security Plan, in addition to working to develop policies and action items that will guide the implementation of the Plan's recommendations by the Food Council and its partners.

*Applications are being accepted until December 14th. Please visit mocofoodcouncil.org/category/news-blog/ to find the application.

Meetings will be held at locations with public transportation access on the evenings of :

- January 17, 2019
- April 18, 2019
- July 18, 2019
