FOR IMMEDIATE RELEASE: Friday, July 19, 2019

**Visit Montgomery and Montgomery County Recreation Partner to Launch  
First Bites & Brews Tour on Sunday, July 28 from 11 a.m. – 4 p.m.**

Visit Montgomery, the official destination marketing organization for Montgomery County, has partnered with Montgomery County Recreation to offer the county's first Bites and Brews Tour on Sunday, July 28 from 11 a.m. – 4 p.m. The ticket price is \$60 per person.

During the guided five-hour tour aboard a mini motor coach, guests will explore Montgomery County's thriving local brewery scene while basking in the serene beauty of the area's pristine 93,000-acre Agricultural Reserve. Tour stops include The Family Room, Elder Pine Brewing, Tusculum Farm and Waredaca Brewing Company.

"We have seen increased interest in guided tour experiences in the Agricultural Reserve," said Kelly Groff, president and CEO for Visit Montgomery. "Our goal with this partnership is to pilot a tour and test its viability as a retail product in the future."

The tour will begin at Shady Grove Metro station, enabling those coming from the broader Capital Region to ride the Metro Red Line. The first stop will include a tasting of Maryland Made products at The Family Room in Laytonsville. The next stop will include a visit to Elder Pine Brewing & Blending, followed by lunch by Goganics Food Truck at Tusculum Farm. The tour will then head to Waredaca Brewing Company for an opportunity to sample beer brewed on a working horse farm. Guests will then return to Shady Grove Metro at the conclusion of the tour.

"We are excited to partner with Visit Montgomery on piloting this tour," said Robin Riley, Montgomery County Recreation director. "This collaboration offers a perfect synergy between the two organizations in serving both Montgomery County residents and visitors."
