

# ECE Coaching Service

Congratulations on completing the **45-hour Critical Core Competencies** for Infant/Toddler Educators. We believe this achievement is a statement of your commitment to the young children you serve.

We want to encourage you to take advantage of an amazing opportunity to receive individualized Coaching to strengthen your ability to apply the skills you were introduced to during the Course at no cost to you. That's right, at no cost to you because MSDE is providing the funding for this valuable service.
