

NEED HELP PAYING FOR CHILD CARE?

We can help you complete your Child Care Scholarship application and find quality child care.

Our Family Resource Specialists are HERE to help!

LOCATE: Child Care
Our free, confidential LOCATE: Child Care service helps families find high-quality child care and guides you through selecting a program that fits your family's needs, including location, cost, and other important considerations.

Child Care Scholarship
We provide free assistance with the Child Care Scholarship application process, including completing the application, gathering the required documentation and navigation services.

Family Navigation
Parenting comes with challenges; that's why we're here to help. Our Family Navigation service connects families with community resources, supportive services, and early childhood programs through personalized referrals and guidance.
