Project Opportunity is a free entrepreneurship training program which has been designed solely for veterans who want to start or grow their own business. The program is an 10 week (30 hour) instructor lead intensive course designed to prepare participants to research and complete a business plan. Project Opportunity utilizes the NxLevel Curriculum which is a nationally recognized entrepreneurship training program and supplements the material with presentations by local subject matter experts in topics such as Marketing Plans, Cash Flow Analysis, the 5 C's of Credit, Commercial Insurance, Business Structure, Web Site Design, and procurement opportunities on the state and federal levels for veteran owned businesses.
