

MAKE A POSITIVE IMPACT ON A YOUNG PERSON'S LIFE

Do you have a degree in a STEM or Computer Science field?

Have you been growing your tech skills while serving in the U.S. military?

As you retire from the military, have you thought about
sharing your talents with our youth?

AACPS Needs YOU!

Nationally, fewer people are choosing K-12 Education as their career field and we have begun to feel the impact in our region. We have part-time and full-time openings available for teachers in Anne Arundel County Public Schools.

AS YOU CONSIDER YOUR NEXT CAREER DECISIONS, CONSIDER TEACHING IN OUR MIDDLE OR HIGH SCHOOLS!

Do you have questions or want to chat with us about these opportunities? Please contact:
Sue Chittim, Senior Manager of Human Capital, 410-224-6228 or schittim@aacps.org.
